

Timberland Factory Disclosure

This list includes active factories as of May 2007. Because our supply chain is constantly changing, the list represents our best attempt to disclose all of Timberland's active factories. We believe, along with others in our industry, that factory disclosure and collaboration can create common standards and shared solutions – helping to advance global human rights in all of our factories.

The factories on this list include Footwear (FTWR) and Apparel (APP) manufacturers, including SmartWool (SW) and GoLite (GL), as well as Supplier (SUP), Tannery (TAN), Distributor (DIS) and Asia Headquarters (AHQ) factories. Due to contractual restrictions at this time, we can only disclose some of the names and locations of factories used by our Licensees (LIC). The factory list includes the name, address and business unit for each location.
